

- **Maureen Kristine Barton** (Oct 13, 2008 9:56 AM EDT) good morning Celia!
- **Natalie Vestre Baum** (Oct 13, 2008 9:57 AM EDT) Hello Celia and Maureen
- **Celia Mae Bandelier** (Oct 13, 2008 9:59 AM EDT) Hi Maureen and Natalie
- **Celia Mae Bandelier** (Oct 13, 2008 9:59 AM EDT) I wonder where Roger is...
- **Celia Mae Bandelier** (Oct 13, 2008 10:00 AM EDT) Hi Roger
- **Maureen Kristine Barton** (Oct 13, 2008 10:00 AM EDT) Good Morning to everybody.... Roger... in the forum he stated he would be coming from a meeting.
- **Maureen Kristine Barton** (Oct 13, 2008 10:00 AM EDT) never mind
- **Roger Lynn Barnes** (Oct 13, 2008 10:00 AM EDT) Good morning. I am here.
- **Celia Mae Bandelier** (Oct 13, 2008 10:01 AM EDT) Anybody have a great idea for this project?
- **Natalie Vestre Baum** (Oct 13, 2008 10:01 AM EDT) Hi Roger
- **Roger Lynn Barnes** (Oct 13, 2008 10:02 AM EDT) I liked the idea of Big Brothers Big Sisters, but there is so much on Google about it.
- **Natalie Vestre Baum** (Oct 13, 2008 10:02 AM EDT) Also we each have to come up with 3 pages of content (so 12 pages total) - we need something we can write a lot about
- **Maureen Kristine Barton** (Oct 13, 2008 10:02 AM EDT) true
- **Celia Mae Bandelier** (Oct 13, 2008 10:03 AM EDT) Yeah, it is going to be hard to come up with something not on Google.
- **Roger Lynn Barnes** (Oct 13, 2008 10:03 AM EDT) I have another idea. How about the Indiana Library School of Indianapolis and its founder Merica Hoagland
- **Celia Mae Bandelier** (Oct 13, 2008 10:03 AM EDT) Interesting. I haven't heard much about her.
- **Maureen Kristine Barton** (Oct 13, 2008 10:03 AM EDT) I am trying to think of topic ideas....
- **Maureen Kristine Barton** (Oct 13, 2008 10:04 AM EDT) that's an idea
- **Maureen Kristine Barton** (Oct 13, 2008 10:05 AM EDT) I don't know anything about her... :)
- **Natalie Vestre Baum** (Oct 13, 2008 10:05 AM EDT) I haven't heard about her either
- **Maureen Kristine Barton** (Oct 13, 2008 10:05 AM EDT) to help with 12 pages if we do a broad subject like that we could include a number of links/pages
- **Roger Lynn Barnes** (Oct 13, 2008 10:06 AM EDT) I did not find anything in wikipedia or Google about the Indiana Library School or Merica Hoagland. I did not find anything about the Indiana Library School in Google but I found 1570 hits about its founder Merica Hoagland.
- **Natalie Vestre Baum** (Oct 13, 2008 10:06 AM EDT) Photos, too, if we can get permission or find some in public domain
- **Celia Mae Bandelier** (Oct 13, 2008 10:07 AM EDT) Is that a board enough topic? How could we expand it? How about library schools in general or in the Midwest?
- **Maureen Kristine Barton** (Oct 13, 2008 10:07 AM EDT) i think that is a low number of hits... so we could use that topic.... plus we are linking Hoagland to the Indiana Library School
- **Natalie Vestre Baum** (Oct 13, 2008 10:08 AM EDT) is there enough about her that could we divide up her life or the school's history so we each take a chunk?

- **Maureen Kristine Barton** (Oct 13, 2008 10:10 AM EDT) I think we could get 12 pages.... contact, background info, new improvements, future of library school, bio of Hoagland, courses, state/country ranks and achievements???
- **Roger Lynn Barnes** (Oct 13, 2008 10:10 AM EDT) I found Joanne Passet's article in America: History and Life which is one of our IUPUI databases. The journal was Libraries and Culture Fall 1988.
- **Celia Mae Bandelier** (Oct 13, 2008 10:11 AM EDT) But isn't that info already out there on the SLIS site?
- **Maureen Kristine Barton** (Oct 13, 2008 10:12 AM EDT) and i think one of the web pages is supposed to be dedicated to "describe our virtual conference and how we came up with the topic"
- **Maureen Kristine Barton** (Oct 13, 2008 10:12 AM EDT) checking out the SLIS website
- **Celia Mae Bandelier** (Oct 13, 2008 10:13 AM EDT) that is a general page that we all contribute to along with the home page. At least that is how I understood it.
- **Natalie Vestre Baum** (Oct 13, 2008 10:14 AM EDT) It looks like the "home" and "about" pages are in addition to the 3 other pages we each work on.
- **Celia Mae Bandelier** (Oct 13, 2008 10:14 AM EDT) Roger, do you know if she had someone else help her? If we could come up with stuff on her assistants that would be unique.
- **Maureen Kristine Barton** (Oct 13, 2008 10:15 AM EDT) you are correct
- **Roger Lynn Barnes** (Oct 13, 2008 10:15 AM EDT) The title of Dr. Passet's article is "the Open Door of Opportunity": The Indiana Library School and Its Students, 1905-1912
- **Maureen Kristine Barton** (Oct 13, 2008 10:16 AM EDT) I did not see anything on the SLIS website but I would feel more comfortable if someone else would check it out too.
- **Roger Lynn Barnes** (Oct 13, 2008 10:17 AM EDT) I have only skimmed the article by Dr. Passet so far so I do not know if Merica Hoagland had any assistants.
- **Natalie Vestre Baum** (Oct 13, 2008 10:18 AM EDT) I'm looking at some of the Google items, and it looks like her name appears quite a bit but I don't see much just about her or the school - mostly in relation to other libraries or local history. I'm comfortable as far as meeting the uniqueness requirement of this assignment. That is going to be a struggle for all groups, I think.
- **Celia Mae Bandelier** (Oct 13, 2008 10:19 AM EDT) There are courses and improvement kind of thing. But if we stick to the future and history of school we would probably be ok.
- **Roger Lynn Barnes** (Oct 13, 2008 10:19 AM EDT) You can find the article by going to the University Library link and then look for the link Find articles from A to Z. Then look under A for America: History and Life.
- **Maureen Kristine Barton** (Oct 13, 2008 10:19 AM EDT) maybe we could divide this project into 4 categories. I can only think of three.... 1. Mercia Hoagland 2. IUPUI 3. SLIS program 4.?????
- **Celia Mae Bandelier** (Oct 13, 2008 10:21 AM EDT) Maybe split Mercia up--into her past that led to the founding and then the actual found part...
- **Maureen Kristine Barton** (Oct 13, 2008 10:21 AM EDT) that works
- **Celia Mae Bandelier** (Oct 13, 2008 10:22 AM EDT) I will take her past.
- **Roger Lynn Barnes** (Oct 13, 2008 10:22 AM EDT) The Indian Library School was not related to IUPUI or the SLIS program, but it was Indiana's first library school.
- **Celia Mae Bandelier** (Oct 13, 2008 10:23 AM EDT) Didn't it lead into it? Maybe that tie in would be a way to go...

- **Maureen Kristine Barton** (Oct 13, 2008 10:24 AM EDT) that is a good history note.... how does everyone feel about dividing the project?
- **Celia Mae Bandelier** (Oct 13, 2008 10:24 AM EDT) Someone could do just the Indiana Library School angle.
- **Natalie Vestre Baum** (Oct 13, 2008 10:24 AM EDT) maybe the ILS angle could lead into do a "history of library schools" section that would encompass more than just indiana
- **Celia Mae Bandelier** (Oct 13, 2008 10:25 AM EDT) true
- **Maureen Kristine Barton** (Oct 13, 2008 10:25 AM EDT) I don't mind taking the SLIS program and focusing on the future.... I could interview a few professors and such
- **Roger Lynn Barnes** (Oct 13, 2008 10:25 AM EDT) I would be interested in doing the Indiana Library School piece or part of this piece.
- **Maureen Kristine Barton** (Oct 13, 2008 10:26 AM EDT) I like the history of library schools, but it may be very broad... what do you think
- **Roger Lynn Barnes** (Oct 13, 2008 10:27 AM EDT) I think that it would probably be a large topic just to do the History of SLIS
- **Celia Mae Bandelier** (Oct 13, 2008 10:27 AM EDT) Natalie, do you want to work on the tie it. Roger do the ILS part, Maureen the future and I will do Mercia...
- **Natalie Vestre Baum** (Oct 13, 2008 10:28 AM EDT) I could take the history of library schools part - if it gets too broad I might be able to break it down into just the midwest or so. Or, we could have 1) Hoagland 2) Indiana Library School and then two people do the history of library schools.
- **Natalie Vestre Baum** (Oct 13, 2008 10:28 AM EDT) or Celia, yours works too
- **Roger Lynn Barnes** (Oct 13, 2008 10:28 AM EDT) The other interesting thing about Dr. Passet's article is that she has several charts as part of it.
- **Celia Mae Bandelier** (Oct 13, 2008 10:28 AM EDT) Cool!
- **Maureen Kristine Barton** (Oct 13, 2008 10:29 AM EDT) Natalie.... I think your idea of the history in the midwest is great.
- **Natalie Vestre Baum** (Oct 13, 2008 10:29 AM EDT) keep in mind we still have to each do an original chart or photo or something.
- **Roger Lynn Barnes** (Oct 13, 2008 10:30 AM EDT) I would like to do the Indiana Library School part, but don't mind sharing it.
- **Natalie Vestre Baum** (Oct 13, 2008 10:30 AM EDT) Roger, can you get Dr Passet's permission to use her stuff?
- **Maureen Kristine Barton** (Oct 13, 2008 10:30 AM EDT) I could tie that into one of my pages too... future of library programs in general or at related schools
- **Celia Mae Bandelier** (Oct 13, 2008 10:30 AM EDT) I figured I could do a time line of Hoagland's life.
- **Maureen Kristine Barton** (Oct 13, 2008 10:31 AM EDT) Roger, and you talking about the SLIS program?
- **Maureen Kristine Barton** (Oct 13, 2008 10:31 AM EDT) I was going to do the future of the program but I can find something else if needed...
- **Celia Mae Bandelier** (Oct 13, 2008 10:32 AM EDT) I will work from the Passet article.
- **Maureen Kristine Barton** (Oct 13, 2008 10:32 AM EDT) okay, I see now... I just saw Natalie's posting
- **Natalie Vestre Baum** (Oct 13, 2008 10:32 AM EDT) future of SLIS at IUPUI?

- Roger Lynn Barnes (Oct 13, 2008 10:32 AM EDT) I just remembered that Dr. Passet is on sabattical leave and is out of the country so I don't think I can contact her. But we could cite whatever we use. I probably could not use a whole chart of hers.
- Natalie Vestre Baum (Oct 13, 2008 10:33 AM EDT) ok
- Maureen Kristine Barton (Oct 13, 2008 10:34 AM EDT) I just want to make sure I understand my role... Future of library school programs including IUPUI's program? I don't want to let anybody down.
- Celia Mae Bandelier (Oct 13, 2008 10:35 AM EDT) And I am doing Hoagland's history>>>
- Natalie Vestre Baum (Oct 13, 2008 10:35 AM EDT) Maureen, I don't think you will let anybody down! :)
- Celia Mae Bandelier (Oct 13, 2008 10:37 AM EDT) Are we straight as to what we are each doing?
- Maureen Kristine Barton (Oct 13, 2008 10:37 AM EDT) I know but it is best to be on the right track or in this case... web page
- Maureen Kristine Barton (Oct 13, 2008 10:37 AM EDT) I think we are good.
- Roger Lynn Barnes (Oct 13, 2008 10:38 AM EDT) I am clear about what I am doing on the Indiana Library School.
- Celia Mae Bandelier (Oct 13, 2008 10:38 AM EDT) Do we have a name so someone can set up the wiki...I did a practise one which you can find the address of on the forum.
- Natalie Vestre Baum (Oct 13, 2008 10:38 AM EDT) I will do the history of library schools in general, but again I may have to scale it back if it gets too broad. Maureen, maybe we can talk later about how to integrate that with the future of schools/slis
- Maureen Kristine Barton (Oct 13, 2008 10:39 AM EDT) yes, we will be in touch
- Celia Mae Bandelier (Oct 13, 2008 10:40 AM EDT) Maybe "Library Schools-- Past and Present"
- Natalie Vestre Baum (Oct 13, 2008 10:41 AM EDT) I have to run - I will check the transcript or maybe someone could let me know if anything else is decided. I will do whatever is needed. Thanks, Natalie
- Natalie Vestre Baum (Oct 13, 2008 10:42 AM EDT) sounds good to me Maureen
- Roger Lynn Barnes (Oct 13, 2008 10:42 AM EDT) Celia, that sounds like a good topic title. Can your practice site become the group's site?
- Natalie Vestre Baum (Oct 13, 2008 10:42 AM EDT) bye guys - have a great afternoon!
- Maureen Kristine Barton (Oct 13, 2008 10:43 AM EDT) I will add pages to the site Celia set up.... have a great rest of the day maureen
- Celia Mae Bandelier (Oct 13, 2008 10:43 AM EDT) Don't think so because of the title--I couldn't figure how to change it and I named it-- WikiTea m2
- Roger Lynn Barnes (Oct 13, 2008 10:44 AM EDT) Oh. I didn't realize it was hard to rename. If you need a new location let us know.
- Celia Mae Bandelier (Oct 13, 2008 10:45 AM EDT) The pages themselves are easy but I don't think the site location can be changed.
- Celia Mae Bandelier (Oct 13, 2008 10:46 AM EDT) I didn't realize that when I set it up or I wouldn't have named it until we came up with the topic.
- Roger Lynn Barnes (Oct 13, 2008 10:47 AM EDT) Maybe WikiTea m 2 is okay and we just add the specific title
- Celia Mae Bandelier (Oct 13, 2008 10:47 AM EDT) Maybe...
- Maureen Kristine Barton (Oct 13, 2008 10:47 AM EDT) can we set up another one with a general name "wiki tea m 2"

- **Celia Mae Bandelier** (Oct 13, 2008 10:49 AM EDT) Maureen, that is what I have...but I'm thinking we need a site that tells more about our subject so that people can find and use it.
- **Roger Lynn Barnes** (Oct 13, 2008 10:49 AM EDT) We can keep talking to each other at the wiki forum site as we do this
- **Celia Mae Bandelier** (Oct 13, 2008 10:50 AM EDT) So we need to set up a site called something like...Library School-Past and Present....instead of my WikiTea m2. I can't do it because of the education set-up only allows 1 site.
